

CIRCULAR

Date: 28.09.2021

The Lateral entry students admitted to this institution through single window counselling in the academic year 2021-2022 are requested to report to the college immediately to complete the admission procedure with the original certificates and other documents as mentioned in the allotment order . It is informed that the classes have already commenced for the second year regular students through online mode and will continue till further orders. The details of fees to be paid is available on the college website.

The students who seek hostel accommodation should have taken both the dose I & dose II vaccine and also the hard copy of the vaccination certificate should be produced to the hostel authority at the time of getting hostel accommodation.

During the commencement of offline classes both Day scholars and Hostlers are permitted to be in college if they come along with Covid negative certificate that is to be obtained within 72 hours before their arrival in the campus.

Moreover, the students are strictly advised to wear the face mask and wash their hands frequently in the wash basins which are kept at the entrance of each department.
