Advertisement for the position of Senior Research Fellow (SRF)

Advertisement: File no. BT/PR51230/AGIII/103/1490/2023; dated 01.05.2024

Applications are invited for ONE position of **Senior Research Fellow (SRF)** in a Department of Biotechnology (DBT) - funded project “**Characterization of intrinsic disorder in viral protein genome linked (VPg) of *Cardamom mosaic virus***”. The appointment is purely temporary and selection is based on merit.

Position: Senior Research Fellow (1)

Essential Qualifications & Experience: Candidate must have M.Sc. degree (with minimum 60% marks) or higher in Biotechnology/ Biochemistry/ Microbiology/ Plant Sciences/ Agriculture/ Genomic Sciences with minimum two years of research experience.

Desirable: Research experience in Bioinformatics, recombinant DNA methods, recombinant protein expression & purification, LCMS, NMR, plant tissue culture & protoplast isolation is desirable. Consistently good academic record and publications would be a plus.

Period: For the DBT Project period (3 years)

Emolument: A per DBT norms.

Interested candidates may apply with detailed bio-data (3 copies) duly supported by attested copies of mark statements, certificates, testimonials, experience certificates and publications should be sent to **Dr. T. Jebasingh**, Principle Investigator, DBT Project, Department of Plant Sciences, School of Biological Sciences, Madurai Kamaraj University, Madurai-625021.

Mode of selection: The eligible candidates may further be shortlisted based on qualifications/experience depending on the number of applications received. Shortlisted candidates will be informed by email about the interview date and time. Please note that no TA and DA will be paid for attending the interview.

Last date for the receipt of applications: 20.06.2024.
